## DIRECTIONS FOR USE

---

### USE ONLY ON OUTER SHELLS

1. Apply Fire Spot™ directly onto stain.
  2. Allow to soak for 10-15 minutes
  3. Re-apply Fire Spot™ to stain and rub with nylon brush.  
If treating tar, use the spatula to remove the tar.
  4. Wash the outer shells in the washer with Fire Wash™ (See Below)
- 

### THE OUTER SHELL SHOULD BE WASHED SEPERATELY FROM THE LINER SYSTEM

1. Place items into washer, close door.
2. Select proper wash cycle.
3. Press start on washer.
4. Press the red start button for Fire Wash™.
